What do you need for the design?

02 There are 3 options for submitting your design

01 When we make your design for an Original

Provide your logo as a **vector** file in .eps, .ai, or .svg format.
Feel free to specify how and where you want to place the logo.
For example, with a white background, or in a specific color or image.

02 When you make your own design

Deliver your design in PDF according to Bambook's delivery specifications*.

Discover the page options!

03 With an engraved Hardcover

Send us your logo in **vector** in .eps, .ai or .svg format.

We will always send you a digital design for approval

*You can find the delivery specifications at www.bambook.org/en/design-requirements

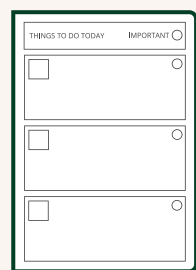

The erasable pages

03 Choose your page layout Free

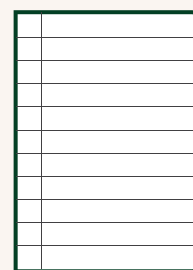

A Bambook has a total of 20 sheets (40 sides). You select the layout of your choice. You can choose one of the following 6 types of pages:

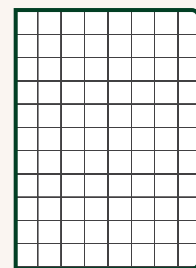

Blank & lined

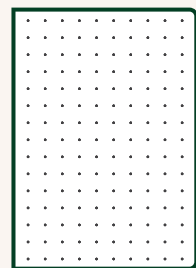

To-do list

Lined

Graphs

Dotted

Blank

Combine different pages +€1,50

Choose the composition of the pages yourself and tailor your Bambook to your way of working.

A total of up to four of the above options can be chosen, including the inside of the Do-book (week & month planner) and the Bambook Calendar as a whole.

Design & Delivery

04 Design proposal and delivery details

Finally, we need the details of the order:

- ✓ Delivery address
- ✓ Billing address (in case it varies)
- ✓ Desired delivery date
- ✓ Purchase number, when relevant
- ✓ VAT number

The delivery time is 10 working days within the Netherlands and 15 working days outside the Netherlands.

Our mission

Bambook's mission is to make an impact in or through the impact areas below. This impact, we make together with you. Step by step, page by page towards a greener planet. That's what we sign up for!

Product

We offer you a reusable alternative with our erasable notebooks. With this, we put an end to unnecessary paper waste.

Bambook Scanner App

Meet our AI-powered app

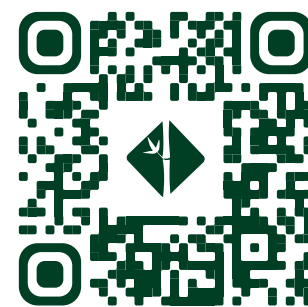

With the Bambook App, you can easily scan your notes and erase pages without losing notes. With Bambook Premium, you can also digitise notes automatically endlessly! Thanks to AI technology, your handwriting is converted into text for easy processing, reading and sharing.

How it works?

Upgrade your Bambook now with the Bambook Premium App. For just **€0.99**, you get **1 year of access** to premium features like handwriting recognition (normally €1.99 per month).

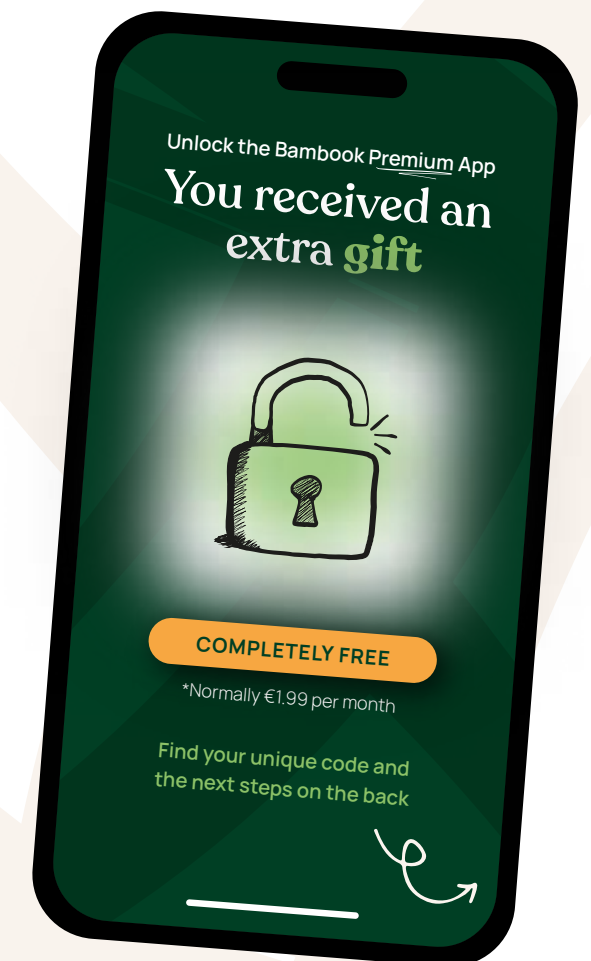

How does it work? With every Bambook, you'll receive a voucher with a unique code to upgrade the app. After 1 year, the subscription expires automatically. The user can then choose whether to renew.

Combine the benefits of analog writing with digital convenience for an optimal and sustainable writing experience!
